

Idaho Hotel Silver City

“When yesterday meets today”

The Idaho Hotel is now closed for the season (snow is already on the ground) and will reopen Memorial Weekend in May 2018.

The roads are not maintained after October 1st, so you travel at your own risk. Please call the Owyhee County Sheriff for road conditions. They will post signs on the road when it becomes unpassable for vehicle traffic.

208- 495-1154 Owyhee County Sheriff

Till May 2018, here’s our website with interesting pictures and history:

www.historicsilvercityidaho.com

If you would like to contact us about making reservations for the 2018 season, you can email us through the web site listed above. Our phone at the hotel has been put on VACATION, the message says it’s been disconnected. At this time, the Hotel will not be open during the winter months.

The web site will be updated in February 2018.

Thank you for your support and patronage of the Idaho Hotel – without you, the hotel could not open its doors for business!
